

Our Company

4a manufacturing is one of the leading manufacturers of micro sandwich composites for lightweight materials and acoustic applications, which are used in cell phones, tablets, laptops and many other products.

Teamleader Quality Management (m/f/d)

To support our team, we are looking for a Production Employee, full-time in Traboch.

[apply now](#)

Your Profile

- Completed technical or scientific education (e.g., mechanical engineering, industrial engineering, quality management) or comparable qualification
- Several years of professional experience in quality management or quality assurance, ideally in a manufacturing company
- In-depth knowledge of norms and standards (ISO 9001, ISO 14001, ideally ISO 27001, EN 9100)
- Experience in the application of common QM methods (FMEA, 8D, LEAN, Six Sigma, PDCA, Root Cause Analysis)
- Experience in project management, especially in the implementation of digitization and process optimization initiatives

- Ability to motivate and develop teams
- Highly analytical and solution-oriented mindset, structured and independent way of working

Scope of tasks

- Technical and disciplinary management and further development of the QM team
- Ensuring and continuously improving the quality management system in accordance with relevant standards (e.g., ISO 9001, ISO 14001; advantageous: ISO 27001, EN 9100)
- Planning, controlling, and implementing quality strategies and objectives
- Responsibility for audits, FMEAs, 8D reports, and continuous improvement measures
- Management and support of digitization and process optimization projects (LEAN, Six Sigma, CIP)
- Control of change and process management
- Close cooperation with internal interfaces (production, R&D, supply chain, management)
- Analysis of quality indicators and derivation of sustainable measures for error prevention

Benefits

- reduced-price lunch, free fruit and vegetables and complimentary coffee
- weekly fitness classes and a monthly yoga session
- company daycare for employees' children
- employee events and team activities
- flexible working hours (flexitime and home-office options)
- opportunities for professional development and training
- employee referral bonus program
- company doctor
- free parking and electric vehicle charging for private cars
